Price

Sold**Item Reference: SA328876****Date of manufacture: 1910**

Description

Antique distressed deep buttoned leather sofa in good original condition sitting on tapered mahogany legs. The leather on this sofa has been revived & polished. There are no tears or rips. The leather on the inside left of the arm does have a more worn in distressed look, but the colour is still consistent. You can just make it out if you enlarge all the images. The leather is hand tacked & the cushions are plump. This sofa has loads of character & I would date it to around the 1910-20's period. Width - 53.5", 136 cm Depth - 30", 76 cm Height - 32", 81 cm Seat height - 16.5", 42 cm
