Item Reference: SA329204

Date of manufacture: 1950

Description

A gents wrist watch from the 1950s. The watch has a Swiss hand-winding movement which is ticking away and the time keeping is good to within around one minute or so over 24 hours. The watch measures 31.5mm diameter excluding the winding crown and the stylishly shaped lugs. The case is plated and there is wear and marking commensurate with its age. The case back is stainless steel. The lens is in good condition. The dial has some marking and discolouration. A new black leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
