Description

Longines solid 18ct gold gents wristwatch. This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The fully automatic watch movement is beautifully made, totally reliable and as you can see it's in fabulous like new condition. The dial is in perfect condition with gilt hands and baton markers and it has the date facility at the 12 o'clock which is really quite rare, it also has the Longines logo on the crown. A new glass has been fitted and the case has been professionally polished. It comes complete with a new high quality black box. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch is a full size gents measuring 35mm in diameter not including the crown. There are light scratches to the back of the case caused by a previous watchmaker when opening the case but obviously this cannot be seen when worn and does not detract from the watch at all. The watch ha...
