Description

Huge Antique French Gilt Bronze Clock Set ~ French - Circa 1870 ~ ~~ Excellent condition, fully overhauled ~~ This is a very large and heavy original antique French brass clock set that has been meticulously restored in our own workshop. It is very decorative in the classical style, beautifully, modelled and finished. To each side is a Caryatid, supporting the cavetto cornice upon her head. Above this a bell shaped top is blind fretted with scroll work and has a large elaborate, pieced urn of acanthus leaves. Below the dial is a lions mask holding a swag within its mouth. Candelabra are conforming in style with matching bases with handled urns above supporting the 4 branches. This is a beautifully made and finely finished clock set. The dial is also bronze, with 12 individual enamel cartouches, blued steel hands and convex glass. The French movement is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is a replacement. It runs for 8 days and strikes the hours and halves on a large, sonorous bell. Click the video clip below to hear the bell and watch the clock running! Condition of the case is e...
