A DECORATIVE GLASS CEILING LIGHT

Price

Sold**Item Reference: SA331253****Date of manufacture: 1920**

Description

This is an early 20thC beautiful glass ceiling light, with patterns around the sides and underneath. It has one of the finest brass tops we have ever seen on one of these lights, with a decorative band in the centre. The light has been rewired by a qualified electrician for the UK, and it holds a single light bulb. It measures approximately 35cm in length including the brass top, and 32cm across. The brass top is 20cm in length. The price includes postage and package within the UK mainland only, or it can be collected from the Surrey area.
