Description

A Charming and Very Large French Cut Glass and Brass 12 Branch Chandelier This is an excellent quality and very opulent piece, the reeded scrolling brass has a gilded finish, it twists with an entwined leaf decoration and the 12 arms are hung with faceted cut glass tear drop pendants and brass sconces, the light has the original chain and ceiling rose or it could be used by the lower rose if considered necessary, to raise the height but the top rose has an internal pulley. There are 25 cut glass drops on each of the 12 branches, the largest of these are 3" in length (making 300 in all plus the large ball drop and chain in the centre) The light is in working condition and looks dazzling when alight, but as with all old electrical pieces we strongly recommend having it rewired by a professional electrician The chandelier is 34" in diameter and 36" high (or 24" from the lower rose.
