

SA333040

Pair of Regency Painted Cane Seated Chairs, circa 1820

Price

Sold

Item Reference: SA333040

Date of manufacture: 1800

Description

A pair of Regency painted chairs circa 1820, the spindle backs with ball and turned detailing over caned seats and conforming front stretchers. The green, red and gilt paintwork is very well detailed and executed but not original to the chairs. I have another matching pair of these chairs.
