Description

This is a superb example of a mens wristwatch made by the world renowned premier Swiss maker Zenith. It is quite stunning with a fully restored mint condition dial with date and gilt luminous hands and baton markers. The chronometer grade 30 jewel calibre 2532 PC movement is just incredible, it would have been Zeniths top movement and is accurate to within +/- 2 seconds per day which is comparable to a new Rolex chronometer. A new glass has been fitted and the case professionally cleaned and polished so it is absolutely like new. As you would expect from Zenith the watch is fully marked on the dial, movement and case. It comes with a new quality chestnut brown leather strap and a presentation box to keep your watch in perfect condition. It also comes with a new presentation box Zenith are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 34mm in diameter without the crown. Overall this watch is in superb condition and looks as if it was hardly ever worn, it would certainly make a perfect gift. This is a 100% genuine Zenith watch not a copy replica or reproduction...
