Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid platinum case surrounded by a row of European old cut diamonds and then more to the lugs which is very much of the Art Deco design. It is attached to a brand new white gold plated bracelet which can be adjusted to fit any size of wrist between 5.5 and 7.75 inches. As you would expect from Omega the diamonds are bright, crisp and evenly matched weighing approximately 1.5ct in total. It is quite stunning with a white dial. A new glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. The 17 jewel manual winding movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. It is fully marked as platinum on the inside of the case. As you would expect from Omega the watch is fully marked on the dial and movement. If being over critical there is a replacement diamond in the case which was done quite some time ago and is ever so slightly larger than the rest but this certainly doesn't detract at all from the b...
