Description

Antique, Art Nouveau, ruby glass jug/pitcher with silver overlay decoration. This fine jug is a super example of it's period, with the rich ruby glass encased in sterling silver, scroll decorated, engraved overlay of the highest quality, by the foremost exponents of this style, the Alvin Silver Corporation. It has a solid handle, with a large monogrammed cartouche to the front; the glass is perfect and there are a couple of minor, almost undetectable losses to the overlay casing. Absolutely stunning! c.1895. Alvin Corporation. Rhode Island, NY. Height 20cm./8 inches. Capacity 850cl/one and a half pints/over 1 bottle of wine.
