Description

A stunning exhibition quality Vienna porcelain vase and cover. The beehive or shield mark in underglaze blue. The vase part is secured to the circular base by a brass bolt with nut below, this is slightly loose and the vase will rotate on the stand. We have not tightened the nut for fear of cracking it. The raised gilding is not worn or rubbed as this piece has probably been displayed in a cabinet. Size :- Height...9.75"...25cm. Width (inc.handles)..4"...10cm. Depth...3.5"...8.5cm. Delivery can be arranged, but we would prefer collection.
