Sold**Item Reference: SA334943****Date of manufacture: 1910**

Description

Stylish pair of antique Swedish Satin Birch armchairs in lovely original condition. They have just come over from Sweden, been French polished & recovered in a neutral coloured linen fabric. These chairs have very generous proportions, with 'Trafalgar' backs, scroll over arms & sabre legs. The laurel backs & baubles are ebonized. I would say they date from around the 1890-1910 period, although they may be older. Pairs of 'Empire' style armchairs like these are becoming extremely hard to find & are very sought after. Take a good look at the beautiful grain of the Satin Birch. Width - 23.6", 60 cm Depth - 26", 66 cm Height - 36.2", 92 cm Seat height - 18", 46 cm
