Description

This fabulous 1920s DESSERT CART or TROLLEY is made from heavily cast metal with cabriole legs terminating in elegant ball and claw feet. There is the additional decorative feature of carved acanthus leaves to the knees. The DESSERT CART has a fold down PLATE STAND to one end which supports itself well. It has been well loved and well used and shows the normal signs of wear. Some of the decorative caps to the nuts are missing, there is wear to the silvered finish and for it to be in pristine condition restoration would be needed. Height: 39.75 inches (101 cm) Width including handle: 36 inches (92 cm) Depth: 23 inches (58.5 cm)
