Description

A really good quality early 19th century 4-tier WHATNOT (or ETAGERE) in particularly good condition. Each of the four figured rosewood shelves is supported on well-turned solid rosewood baluster columns, which terminate in dome-shaped finials to the top. The lower shelf has the unusual feature of slender turned uprights to the sides, in the manner of a canterbury, and it is supported on turned legs with original brass castors.
