Description

This large, impressive and evocative Edwardian mahogany travelling trunk has just come into stock. It is beautifully constructed with fine hand made dovetail joints, and its original brass name plate lifting handles, escutcheons, locks and corner supports all still in place - a key of a similar age will be cut to fit and supplied on purchase. Measuring 4 feet wide (122 cm) 25 inches high (63.5 cm) 25 inches deep (63.5 cm) We feel that it would make a wonderful prop for a forthcoming production etc... So we are offering this lovely trunk, at the price indicated above, in its present untouched and unrestored condition. However when sensitively and professionally restored to its former glory we anticipate the final figure to be £1450.00. Carriage is nearly always carried out personally within London, Surrey and Sussex - Delivery is free for clients within mainland Britain - Professional, competitive and trusted courier and shipping companies are engaged for the remainder of our customers. We do strive to accurately describe and illustrate our stock within the 'Selling Antiques' website. However we do understand that it is not always possible to judge from photo...
