Description

Early 19thc Dutch Tavern Scene painted in oils on copper and presented in the original gesso gilt frame. > The quality and detail is excellent, with the oils still being bright and vibrant, depicting two gentlemen sitting and playing a table top game with wooden pieces. A third gentleman observes from a standing position. > CONDITION The condition is excellent as the painting had previously been framed under glass, later having been removed. The water marks or bubbles have since been cleaned off. > FRAME The frame has had a few good repairs and is solid and looks fine now after recent work and a little regilding. (Image 6 shows the professional repairs prior to regilding) > Painted by a talented artist who has obviously specialised in genre scenes and has captured the atmosphere and characters very well. > MEASUREMENTS (Including Frame) Height 11.5 Inches Width 13 Inches > ONE OF A PAIR OFFERED SEPARATELY (See Image 7) > TELEPHONE ENQUIRIES 07765 856171 BY APPOINTMENT ONLY DELIVERY UK MAINLAND & WORLDWIDE / QUOTES ON REQUEST OUR REF 0611 * Very Good Painting Indeed For Price Internal Ref: 0612
