Description

This splendid Georgian Country House Copper Log Carrier/Log Bin is of heavy quality and is very sturdy. It has good keyed detail to the sides and base - a good sign of a Georgian Coppersmith's work and one who has proudly left his initials on the piece. The Log Carrier or Log Bin is strong and fit for purpose. One handle leans - a sign of the bin's 200 year old life. The copper is mellow and of heavy gauge. Whether Winter or Summer this Georgian Copper Log Bin will enhance the Fireplace. Width (not inc. handles): 21.5 inches (55 cm) Depth: 19 inches (48 cm) Height (not inc. handles) 8 inches (20 cm)
