Description

Fully serviced with a 12 month warranty. This is a very fine example of a gents classic wristwatch made by the world renowned premier maker Ulysse Nardin, regarded as the best American watchmaker. The dial, hands and winding crown are completely original - they have never been restored or retouched in any way. The 17 jewel manual wind movement is just superb. The watch case measures 33mm in diameter excluding the crown. A new glass has been fitted and the case professionally polished. Ulysse Nardin are one of the most exclusive makers and it is rare to find this watch in such original condition in a 9ct gold case dating to 1955, indeed this is the first of its kind we have ever come across. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality presentation box. The case is fully hallmarked. It comes complete with a new premium quality chestnut brown leather strap. The watch case is mid size and measures 32mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Nardin collectors, indeed it looks as if it was rarely worn. The watch has been f...
