Description

A fabulous late eighteenth century jewellery cabinet dating to around 1790. This one is particularly nice with the decoration even on the back of the cabinet, which is unusual, a sign of quality. The cabinet is decorated with a variety of figural panels, the interior revealing the crispness of the work when originally created. The interior has been professionally re-lined in a deep navy velvet to create a fresh and very usable finish and ready to enjoy. Superb condition, measuring 11" x 8 1/4" x 8 1/2" tall.
