Description

Wonderful Longines solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The watch has a high frequency calibre 6842 17 jewel manual wind movement beating at 28800 beats per hour, as you can see it is in fabulous condition. The original ivory coloured silk textured dial is in superb condition. It has gilt hands and batons and also the Longines logo on the crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The case is hallmarked. It comes complete with a new premium quality chestnut brown leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by collectors indeed it looks as if it was rarely worn. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped...
