Description

A very fine quality late 18th century mahogany SECRETAIRE-BOOKCASE firmly attributed to Gillows of Lancaster. Surmounted by an elegant cornice, the upper section features glazed doors (good original glass) which open to reveal adjustable shelves within. Below is the well-fitted secretaire drawer with three oak-lined long drawers under, all of which retain their original gilded handles, favoured by Gillows. It is supported on original solid mahogany bracket feet and measures 38.5ins wide and 7ft 2ins tall (98 x 218.5cms). *In one drawer is the original Order Number: 18552, which shows this was made by Gillows in 1792
