Description

Gents 1920s 9ct gold Art Deco wrist watch. The watch has a Swiss hand-winding movement, with 15 jewels, which is working well and the time keeping is good to within around two minutes over 24 hours. The watch measures 25mm wide excluding the winding crown and 31mm high excluding the lugs. The case is 9 carat gold and there are hallmarks on the back of the watch for Edinburgh (import mark), 1929 with an importer's mark of AGR for Arthur G Rendell. The front and sides of the case are in good condition, with nicely patterned detail down each side. The hinged case back has several small indentations. The slightly convex lens is in good condition. The dial has lots of Art Deco style with an unusual inset gilded border, stylised numbers and a square (but faint) subsidiary seconds dial. The watch has a vintage brown leather strap. PRICE INCLUDES WORLDWIDE POSTAGE
