Description

This is an exceptional example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The Longines Ultra-chron calibre 431 17 jewel fully automatic movement is just incredible, this is the last inhouse Longines designed chronometer grade movement and is considered to be one of the finest and most accurate movements ever made. It is totally reliable and as you can see it's in fabulous like new condition. The dial with date is in mint condition with baton markers and steel hands. It has just been professionally serviced and a new glass has been fitted. It has obviously been extremely well cared for and looks as though it was rarely worn. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new black leather strap and a presentation box to keep your watch in perfect condition. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case is slightly oversize and measures 35mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Longines in a...
