## Description

A 19th Century French Oak Refectory Table. This is a Very Heavy Solid Oak Country Table, a refectory table from Brittany, the top is made from 2.5" thick planks. The table is a typically French style known over there as a Monastery table, the table legs are made from 5" thick Oak. The table is a beautiful medium Oak Colour, there is a piece of wood let in on the top at one end, this is original to the table and is not a later repair, otherwise it is sound and does not wobble, and it can be dismantled for easy access, a superb slightly rustic piece and will stand up to no end of use. The table is 87" long, 31" wide, 30" high.
