Description

A late Regency rosewood music canterbury/magazine rack. The 4 "X" frame divisions all with laurel wreath carving. Each corner with a decorative turning and a single drawer below having original turned pull. Standing on turned legs with the original brass cup castors. This style of canterbury was designed by "J.C.Loudon" and was published in his design book of 1833. In pristine condition with original patina. This type of canterbury is more commonly found in mahogany and due to the delicate design the "X" frame shaped sections have usually been repaired, but this fine example is repair free and constructed of beautiful rosewood. Fully cleaned and waxed. Offered here at a good price. Delivery to most of U.K £38.00. Width 20.5"...52cm. Height 20.75"...52.5cm. Depth 15.75"...40cm.
