The Revue name was registered in 1910 by Alphonse Thommen - Alphonse took over the running of the company after the death of his father Gédéon Thommen. The movement is protected by an inner hinged cover. The case measures 50.6 mm diameter excluding the stem. The case has .800 continental silver marks. The case has a rose gold wash to the bezel and back rim. The case is in nice condition with only light marking from use. The inner dust cover is silver plated and has a Swedish inscription engraved upon it which roughly translates as 'Memory of confirmation from siblings'. The dust cover has some wear to the plated finish. The watch lens is plastic and has faint surface marks from use. The enamel dial is signed Revue. The dial is in nice condition with only the odd minor mark. The watch has its original gold coloured Breguet style hands. PRICE INCLUDES WORLDWIDE POSTAGE
