Description

Outstanding Omega gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 501 20 jewel fully automatic movement, as you can see it is in fabulous condition. The dial, hands and winding crown are completely original and in remarkable condition, it also has the Omega symbol crown and is fully marked Omega on the dial, movement and case as you would expect. The case is rare in as much as it is made by Dennison for Omega which is much heavier than a standard Omega case. It still retains its original Omega buckle and box. A new glass has been fitted and the case has been professionally polished so it is in exceptional condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced by Alan Williams FBHI and is guaranteed to be a genuine Omega in all respects. It ha...
