Description

Antique silver Kay of Worcester pocket watch and chain. The watch has a key-winding movement which is ticking away nicely and the time keeping is good to within around two to three minutes over 24 hours. A winding key is included. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the stem and the loop. The case is silver and there are Swiss hallmarks inside the case back, together with the Kays mark of KKW. The case has a little unevenness on the bezel and also unevenness to the case back; there is a little bit of play in the hinge but it is secure. The watch glass has light marks but is very acceptable. The white dial is in very nice condition with just the odd minor mark. Original hands, sub seconds dial and an outer minute track. The watch comes with a hallmarked silver chain, 36cm long. **PRICE INCLUDES WORLDWIDE POSTAGE**
