Description

A lovely set of Victorian letter or Postal scales with a beautifully cast base with a highly decorative pierced or reticulated base standing on four cast feet. The underside doesn't seem to be signed by the maker but I would suspect either Samuel Turner or Townsend of Birmingham. The Avery weights sit in a holder to the top creating a most interesting and decorative look. Dating to around 1880, the scales remain in superb condition. The footprint measures 9" x 6 1/2" x 6 1/2" tall to top of weights. Item ID:36705 FREE Worldwide Registered Airmail Directly from London, England
