

SA340740

Georgian Mahogany Corner Washstand

Price

Sold**Item Reference: SA340740****Date of manufacture: 1800**

Description

Often used as a plant stand or jardiniere, this very versatile piece of furniture is in good original condition, a top shelf with an opening to take a large bowl plus two smaller bowls or cups, a central shelf with a boxwood edged drawer and a lower circular shelf supported by square section uprights ending in spayed feet. These are popular to display porcelain as they stand in the corner and as a consequence are less likely to be knocked. Size: Height at the back - 40" (102cms) Top shelf - 32.5" (83cms) Middle shelf - 21" (53cms) Bottom shelf - 6" (15cms) Depth (radius) - 15" (38cms)

Internal Ref: 30381
