

SA341153**SUPERB EARLY 18th
CENTURY BRASS
CANDLESTICK. C. 1720**

Price

Sold**Item Reference: SA341153****Date of manufacture: 1700**

Description

SUPERB early 18th century single brass candlestick, probably Dutch in origin. The round spun base is beautifully engraved with a flower and leaf pattern although as to be expected it is worn. The cast round stem is seamed in the middle. Very nice design early candlestick in good condition for age. SIZE; 4 1/4" diameter. 8" high Part of a large private collection of early brass candlesticks recently purchased. More to come shortly.
