Description

A really top quality and incredibly comfortable set of dining chairs. They are in superb condition. They have been completely stripped to ensure all joints are completely sound and reupholstered. They are made of heavy Cuban mahogany and have slim turned legs, reeded uprights and attractive bar backs. They need to be seen (and sat in!) We take great care over chairs and guarantee all our chairs are sold in sound condition. In the case of stuff over seats like these we remove all the upholstery to enable us to check every joint.
