Antique Georgian Mahogany Fire Screen

Price

Sold**Item Reference: SA341885****Date of manufacture: 1800**

Description

A magnificent antique Georgian mahogany fire screen with carved fretwork decoration and slide out panels upholstered in silk. The mahogany frame is supported by slender out-swept legs with turned cross stretcher and stands on brass castors. It has three panels, a central fixed panel and 2 slide out panels which are all upholstered in a pale yellow silk fabric with Chinoiserie design in a self colour with fretwork spandrels to the corners. Numerous old mends to the base and legs. Dating from circa 1800. Construction/Wood: Mahogany Condition Report: It has lots of old mends especially to the base and legs. It is fairly solid sturdy, but of a very delicate design, hence the numerous old mends. The panels have been newly reupholstered. Dimensions: Width Closed: 21 inches Width Open: 56 inches approx Height: 49 inches Depth at bottom: 21 inches Depth at top: 2.75 inches
