Description

Mint condition, professionally serviced with a 12 month warranty. The calibre 76 17 jewel manual wind watch movement is made by the premier Swiss watch maker Vertex, as you can see it is in fabulous like new condition. The dial and hands are original and in near mint condition, the dial itself is very much of the Art Deco design with the different stunning silver starburst dial which catches the light beautifully. A new glass fitted and the slimline case professionally cleaned and polished so it is absolutely pristine. It measures 41mm in diameter. As you would expect the watch is fully marked on the dial, movement and case is hallmarked. Vertex are one of the most exclusive Swiss makers and this pocket watch certainly has that understated elegance that whispers class. We also have listed an Art Deco pocket watch chain which would be wonderful partner. Overall this watch is in outstanding near mint condition, it looks as if it was rarely worn, it would make the perfect gift for any man. The watch has just been fully overhauled and serviced by the highly respected watch specialist Alan Williams FBHI. It has been fully authenticated and found to be a genuine Vert...
