Description

This lowboy has a lovely original wax patina and is a pretty faded colour. The top and drawers are coss banded and edged with boxwood. The swan neck handles are original. It has 2 short and one long drawer. A very pleasing period country piece that would look at home anywhere in the house. Although it is pale oak it is not as pale as it looks in the photo. Taking photos outside makes them appear lighter. 91cm wide (36") 48cm deep (19") 72cm high (28")
