Description

Pair of antique Victorian adapted bedside chests in burr & figured walnut. They are fabulous quality & were re-constructed from woods of other antique furniture. They are beautifully made, with solid drawer bottoms & fine dovetails. The burr walnut veneers are top quality & have a great pattern. I must stress that these chests are top quality & I haven't seen anything as good as these before. Don't confuse these with the usual bed-sides that have been made from dressing tables or pedestal desk. Width - 107, 42 cm Depth - 13.8", 35 cm Height - 32.7", 83 cm
