

SA343576

Victorian desk chair with revolving leather seat.

Price

Sold

Item Reference: SA343576

Date of manufacture: Victorian

Description

A neat sized 19th century desk chair with a leather buttoned leather revolving seat, stylish design standing on castors. It appears to have original leather on the seat, which has a good looking worn look but no breaks or tears to the leather.

Internal Ref: 023288
