Antique full hunter pocket watch

Price

Sold**Item Reference: SA344144****Date of manufacture: 1910**

Description

An antique full hunter pocket watch, circa 1910s. The watch has a stem-winding movement, with ten jewels, which is ticking away strongly and the time keeping is good to within around two minutes over 24 hours. The watch measures 50mm diameter excluding the winding stem and the loop. The case is the gold plated Temeraire model from the Geneva Watch Case Company - it is in good condition. The watch lens and the white dial are also in good condition with just a little marking to the hands.
