Item Reference: SA345173

Date of manufacture: 1890

Description

This unusual pair of Victorian cast brass candlesticks depict a lady and gentleman in Tudor costume. They are in fabulous condition and will look amazing on any table or sideboard. They stand 6 1/2" high and are approx. 3 1/2" at the base square, Circa, we believe is 1890. You can see by the images, these really are rather special.
