Description

This chest's drawers are just 30" (76cm) wide and 30" high. It is an early Georgian piece dating from the early mid 18th century. It has a caddy - moulded top and 4 long, oak lined drawers. It would look gorgeous anywhere. It has a lovely wax patina and is a rich conker colour. It is in excellent condition. Everything is completely original except for the old replacement handles. An added bonus is that it still has its original key which locks the drawers. It is a rare piece 17" deep (43cm).
