This beautiful lancet styled bracket clock is made from high quality mahogany and has inlaid box stringing and Sheraton style shell inlays. It retains it's original French-polished finish and has a very warm, rich patina. It stands on 4 brass bun feet. The enamelled convex dial has very fine black Arabic numerals and is surrounded by a heavy cast brass bezel with convex bevelled glass. It has brass drop carrying handles to the sides. The 8 day, pendulum movement has just been fully serviced by our BHI registered staff. It strikes on the half-hour and the hour. A truly lovely clock.
