

SA346020

EDWARDIAN MAHOGANY AND BRASS HANDLED MAGNIFYING GLASS

Price

Sold

Item Reference: SA346020

Date of manufacture: 1910

Description

Good quality Edwardian magnifying glass with very nicely turned mahogany and brass handle and brass surround to the glass. Domed glass produces a good magnification. Comes with a red felt bag that was with it, don't know if it is original or not. SIZE; 4" diameter glass. 10" long overall
