Antique 30hr Long case clock
by Ed Hemmins of Bicester
circa 1720

Price

GBP 2,800

| USD \$3,789 | EUR 3,276

Item Reference: SA346137

Date of manufacture: 1700

Description

A 30 hour clock by Edward Hemmins of Bicester (Oxon). He was also a bell founder, gunsmith and made several church clocks around Oxfordshire. Hemmins died in 1744. The clock is in an oak case with a full-length trunk door and is typical of the period. The case measures 80" (2032mm) in maximum height. The brass dial is in good original condition.
