Description

Antique Book Slide, Coromandel Bookends Bookstand Victorian Gothic Revival c1880 This is an antique book slide from the latter part of the 19th Century, c.1880. Made from the prestigious coromandel wood, this book slide is a fine example of gothic revival: It's dark lustrous patina is offset by the pierced brass plates that adorn the end plates. The chamfered plinth provides a stable base from which the original hinges open the bookends which then slide out to the required length. Decorative and useful, supplied waxed and polished ready for the home.
