Price

Sold**Item Reference: SA346571****Date of manufacture: 1930**

Description

This very stylish pair of Swedish Art Deco armchairs are very comfortable. They would look equally good mixed in with traditional or modern room settings. The shaped arms & legs are satin birch with a lovely grain & colour. They have just been recovered in a neutral coloured linen fabric. They date from around the 1930's period & are in good condition. I've seen similar models being sold on other prominent web sites for in excess of £4500. The price on my web site is the best I can do. I have been selling this model for quite a few years at this price level, even though the costs of buying the frames, importing, polishing & upholstery have gone up. Width - 25.5", 65 cm Depth - 30", 76 cm Height - 30", 76 cm Seat height - 16", 41 cm
