Description

A lovely, very old, pine wardrobe and storage cupboard which totally dismantles for delivery. It dates from 1880 and is in excellent condition for its age. The double doors open to a vertical partition and currently a variety of shelves and drawers. This arrangement can be adapted to suit your needs. A new brass hanging rail can be fitted if required - please let us know of your requirements. Please note, the internal depth is only 16" so only suitable for small hangers - so would work very well as a child's wardrobe/toy cupboard/bedroom tidy or in a spare room or hallway. It is currently in the bare wood having recently been stripped and is in a very clean and tidy condition, ready for painting or waxing. All internal alterations and rail fitting is included in the price, as is our professional wax polishing service. If you would like us to paint it for you then please contact us for a quote. Height: 84.5", width: 61", depth: 21", internal depth: 16"
