Description

An absolutely stunning Georgian trunk in mahogany. This beautiful general-purpose coffer has a moulded top edge lid that lifts up to reveal a large single storage compartment. It is made of the finest timbers that have an untouched finish of immense character and charm with a deep rich colour. The heavy duty lifting handles are original and there is a working key to the original lock. As well as being incredibly useful for storage, it is also an ideal height for use as a coffee table. This wonderful English trunk dates from c.1775 – c.1800. . . Width 48.25" (1225mm) Height 16.25" (410mm) Depth 24" (610mm)
