Description

Here we have for sale an 18ct gold sapphire and diamond ring. The hallmark reads '750' and is a European piece, possibly originating in Italy or Belgium. Diamond content is approx. 0.3ct and a 0.25ct sapphire. The ring is a size T, and is in very good, lightly used condition. This is a vintage piece and is I believe in a revival style, emulating pieces worn in post feudal Europe.
