Description

Stylish French Shop Display Shelves, Pâtisserie, Cakes, Shoes, Bags This is a very impressive piece, it originates from a French Bakery, where it was used to display all manner of Cakes and Tarts. The shelf is made in Brass with 5 Smoked Glass shelves, these can be adjusted to many different positions. I suppose it is the forerunner to the very popular Laderex System so much in demand now. The shelf completely dismantles and flat packs for transportation, it is in good condition and I am sure it would work well both in Shop or Home to display almost anything. When assembled the Shelf is 77" tall, 60" wide and 15" deep. JC68 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk.
