Description

Gents 1920s 9 carat gold wrist watch. The watch has a Swiss hand-winding movement, with 17 jewels, which is ticking away nicely and the time keeping is good to within around two minutes over 24 hours. The watch measures 31mm diameter excluding the winding crown and the fixed wire lugs; it would suit a man with a slimmer wrist or it could be worn by a lady. The case is 9 carat gold and there are hallmarks inside the hinged case back for London (import mark), 1924 with an importer's mark for Sylvain Dreyfuss (who went on to register the Rotary name the following year). The case is in lovely condition. The watch glass is in lovely condition. The white dial, with the red 12, is absolutely charming and in lovely condition. The blue steel hands are a particularly handsome feature and there is also a subsidiary seconds dial and an outer minute track. A later dark brown leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
